

ML_3000 HIGH PERFORMANCE HAND DRYER

The ML_3000 offers the ideal balance of performance, durability, and value. Perfect for factory built bathrooms and commercial environments.

Reliable performance that stays on budget

Cost Effective

High performance without the premium price tag. Maximum value without compromising on quality

Engineered for Speed

Powerful performance that dries hands in under 12 seconds

Built to Last

Robust construction with quality materials designed to withstand the demands of high traffic commercial washrooms

Easy to Install

Simple to integrate into drawings and specifications. Straightforward installation saves time on site.
