

Design Without Compromise

Designed for contemporary homes where comfort, accessibility and aesthetics matter equally.

RESIDENTIAL FOLDING SHOWER SEAT

Elegant support when needed.
Invisible when not.

**AVAILABLE IN
DESIGNER BLACK
AND WHITE**

The Metlam Australia Residential Folding Shower Seat delivers discreet support within modern bathroom environments. Its slim profile, premium material and wall-mounted folding design integrate seamlessly into contemporary residential projects. Whether specified for ageing-in-place, multi generational living or luxury bathroom design, it provides functionality without compromising visual appeal.

WHY ARCHITECTS SPECIFY IT

Creates beautiful, inclusive spaces without compromising design intent. The refined form, premium finishes and compact folded profile allow the seat to blend naturally into modern bathroom design while providing confidence and comfort for users.
